REMARKS

Consistent with the original certificate mailed with this application, the undersigned personally attempted to deliver the above identified application to a United States Post Office on December 21, 2004, however, because of unexpected traffic conditions, undersigned was delayed and arrived at the Post Office shortly after its closing at 5:00 p.m. On December 22, 2004, the undersigned personally delivered the sealed Express Mail envelope containing the application and related filing papers including the original certificate to the custody of the United States Postal Service which accepted the envelope for guaranteed next day delivery to the addressee. (See attachment.) Accordingly, the certificate of filing is corrected, and, instead of referring to an anticipated filing, now refers to the actual date of filing, December 22, 2004 and also refers to the enclosure of a copy of the Declaration in the original application. Entry of the correction is requested.

Please acknowledge receipt of this correspondence by stamping the enclosed postcard and returning it to us for our file.
